We have over 75 years combined military, law enforcement, and security experience. Our team is seasoned in providing HOAs and residential and commercial properties with complete security service. Patrol Masters maintains and utilizes our own proprietary software, undergoing (in the background) continuous process improvements, which rival the leading security systems software. **The following are some of the many features offered by Patrol Masters:**

- ✓ Computerized database
- ✓ On line access to our clients – online reporting – viewing/printing reports
- ✓ Tailored safelist programs, safelist by address or license.
- ✓ Safelist systems, safelist apps and online access.
- ✓ Computerized, consistent and dependable enforcement
- ✓ GPS in our patrol units that track our officers, speed and activities
- ✓ Gate Attendant Software – pass tracking, online access, etc.
- ✓ CCTV cameras, virtual monitoring & 24/7 command monitoring center.
- ✓ LPR – our PDA's have the ability to scan license plates, which is efficient and 100% accurate
- ✓ Automated alert emails for anything important (i.e. maintenance items, responses, vehicle's history, etc)

Although our reports are available to our clients 24/7 on our web site (patrolmasters.com), you will receive the following Next Business Day (Daily) Reports:

- Full vehicle histories on any towed vehicle(s) and scanned copy of the towed vehicle's picture
- All maintenance items requiring follow up
- All calls requiring responses (loud parties, suspicious people, etc)
